Holy Child Primary School

Breakfast Club

Dear Parent/ Guardian

One of the most important aspects of your child's life is their diet. Here at the Breakfast Club in Holy Child SMK, we ensure that this is fulfilled by supplying you and your child with a full range of healthy, nutritional food items.

We encourage you to come along to the breakfast club with your child and enjoy a warm, child-friendly atmosphere.

There are many benefits that come from eating a nutritious breakfast, some of these include;

- Improved concentration and performance in class.
- Higher strength levels for physical activity
- Lowers cholesterol

That's why here at Holy Child SMK, we take pride in helping each student prepare themselves for the day ahead!

How the Breakfast Club Works

Holy Child have agreed to fund the first £0.35, meaning each child can enjoy a breakfast for free! Anything over £0.35 which the child wants, will have to be paid for separately.

There is also an opportunity to win a free ticket, on top of the one your child already has, this runs daily and consists of the pupils doing a 'lucky dip' and if they pick a ticket with an item wrote on the back of it, they win that item!

Open Monday to Friday 8:15am—8:45am.
All parents and pupils are welcome, come and join us!
